## NATIONAL CADET CORPS (ARMY - INFANTRY DIVISION)

### KARGIL VIJAY DIWAS (2015)

The NCC Army Wing, Infantry Division of Thiagarajar College celebrated Kargil Vijay Diwas on 26.07.15 in the college premises. NCC Army wing cadets and

Youth Red Cross Society students of the college participated in this programme.

Ex NCC Cadet, S Marimuthu, Senior Inspector, Cooperative Societies, Sivagangai delivered a special address on the occasion. He in his address stated that, it is the time to feel ourselves proud of being Indian. Having served in Indo-Tibet Border Police Force for some time, I had an opportunity to witness the Kargil borders and I could realize the courageous and strategic act of Indian Defence Service to counteract insurgency by enemies.

Every may not get an opportunity to fight for nation at the borders but we can fight the social and political events in and around us. So the greatest homage to our soldiers is to be honest where ever we are, he appealed.

I descent from economically and socially poor village near Thiruppuvanam and my study at Thiagarajar College and training in NCC developed confidence. Besides NCC training, the classes oriented towards competitive examinations arranged by the

NCC Army unit of our college helped me to get through and earned my profession in

ITBP, Tamilnadu Police, VAO and presently TNPSC Group II Officer as Senior Inspector of Cooperative Societies. Students should make use of this opportunity given by the college and elevate themselves to serve the nation, he added.

Lt Dr N Arun Nagendran, Company Commander, NCC Army Wing of the college told that, to recollect the brave and strategic victory of our motherland

against the infiltration at Kargil, Tras and Tiger hills in 1999 and to imbibe the spirit of patriotism among the young minds, every year Kargil victory day is being celebrated. Dr T Rajasekar, Principal, Thiagarajar College and Col K N Prasad, Commanding Officer, 7 Tamilnadu Battalion gave permission, support and guidance to conduct this programme.

Earlier in her Presidential address, SGT Petchiammal of III BA Tamil stated the purpose and significance of the function. A slide show depicted the tanks and weapons used in Kargil war by Indian soldiers were also portrayed.

The cadets then performed a sensational Skit which demanded the spirit of nationality on occasions. Further the cadets performed group dance and sung patriotic songs which provoked the spirit of devotion and love towards the mother land.

Cpl. Anand, III BA English welcomed the gathering, Cpl, Nandhini III BSc Maths proposed vote of thanks and Cpl Periyasamy coordinated the programme. The programme ended with National Anthem.

JAI HIND!

2	05.09.2015	Major. P. Chandrasekaran, Principal, MS University College, (1974-1976) batch alumnus Dept. of Zoology delivered a Speech on “Dr. Kalam First Memorial Lecture”

# THIAGARAJAR COLLEGE (AUTONOMOUS) NCC ARMY & YOUTH RED CROSS SOCIETY

## Dr. Kalam First Memorial Lecture

The NCC Army Wing of Thiagarajar College and Youth Red Cross Society of the college jointly organized Dr. KALAM MEMORIAL LECTURE on 05.09.15. Major P Chandrasekaran, Former Principal, Manonmaniam Sundaranar University Constituent College, Tirunelveli delivered Memorial lecture. He

narrated the early life of Dr Kalam, his contributions to India especially to Space and Defence Research and their significance. He pointed out that only after Kalam's successful launch of Satellite Launching Vehicles and Bohran II, the

developed countries of the World begin to look at India. Military mightiness is essential for a country even if it had all other resources. Recognizing this, Dr. Kalam made India a powerful

nation by launching a series of missiles.

Major P Chandrasekaran insisted that the students have to fulfill the dreams of Dr Kalam by developing themselves and also elevating the nation into a developed nation. He urged that to achieve Vision 2020, students have to integrate among

themselves and with people of all walks of life, as we have only a few years left over.

The day September 5 was selected to conduct the First Memorial Lecture of Dr Kalam as he is an ardent admirer of his teachers and he himself loved teaching. Another reason is on this day is the successful launch of BrahMos, the first supersonic cruise missile, one of the dream project of Dr Kalam said Lt. Dr. N. Arun Nagendran, Company Commander, NCC and Programme Officer, Youth Red Cross, Thiagarajar College.

Dr M. Eyini, Principal, Thiagarajar College and Col KN Prasad, Commanding Officer, 7 Tamilnadu Battalion,

NCC gave permission and necessary help to conduct the programme.

SGT. BS Nadhini, III B.Sc., Maths, presided over the function. SGT S.Arun Kumar III BSC., Maths welcomed the gathering and Mr. M. Madhan III B.Com proposed vote of thanks. Ms. Nagambika, II BSc., IT coordinated the programme.

Jai Hind !
