The Motto and the Emblem

“Wisdom and Love is Divine” remains the motto of our college. It indicates that God, the Supreme Being, is omni-present as Wisdom and Love. Atop the emblem, the gleaming sun, and on the left the tower of a temple, on the right side a book and a veena and at bottom, in the pond, a fish, a lotus and an elephant are seen.

The illuminous sun signifies education; the temple tower stands as a symbol of both the city of Madurai and the college remains a temple of learning. Cleanliness, wish and worship are to be maintained in the temple of learning. The book refers to the branches of knowledge like literature and science. Hence the book and the veena as symbols include all that come under the banner of education. The fish refers to the Pandia Kingdom; the lotus refers to the blossoming of the soul or mind; that is, student being enlightened by the gleaming Sun is the hidden meaning. The elephant signifies wealth which is also a sacred symbol. It also connotes the deliverance of knowledge as wealth. The water body symbolizes Love.

“One with enlightenment of knowledge and wealth also bestowed upon with love and wisdom in plenty and wisdom is divine.”
